INSTITUTE BENEFITS

AICRA memberships can be instrumental in supporting an institute's growth, development, and effectiveness within its industry or professional community.

INDUSTRY RECOGNITION

Membership in a reputable council can enhance an institute's industry standing and credibility. Being part of a recognized council may contribute to the institute's reputation and visibility within the broader professional community.

COLLABORATIVE PROJECTS AND RESEARCH

Council memberships facilitate collaboration on projects and research initiatives. Institutes can leverage the collective expertise of council members to undertake joint research, share resources, and address common challenges.

ACCESS TO RESOURCES

Councils often provide access to a range of resources, including research reports, industry data, and specialized tools. Institutes can benefit from these resources to enhance their knowledge base and decision-making processes.

AWARDS NOMINATION

AICRA organizes various National and International Awards including India STEM Awards, IndiaFirst Startup Awards, Global AI Awards and many more. Institute may nominate and encash the goodwill of awards.

AICRA offers institute membership to universities, colleges, schools and vocational institutions which is designed to accommodate the needs and interests of entire organization, stakeholders, faculties and students.

It's a strategic approach that can provide a range of advantages including collaborative opportunities, gain access to valuable resources, stay informed about industry developments, and contribute to advocacy efforts.
